Notwithstanding anything provided in this Declaration to the contrary, (1) the provisions of this Section 2.02 may not be abrogated, modified, rescinded, supplemented, or amended, in whole or in part, without the prior written consent of Developer and (2) the rights reserved by Developer pursuant to this Section 2.02 shall not be deemed to inure to the benefit of any transferee or purchaser of the Additional Property or any portion thereof, unless Developer, in its sole discretion, transfers and conveys to such transferee or purchaser the rights reserved herein by express reference to Section 2.02 of this Declaration.

Section 3.02 Reservation of Easement for Utilities. Developer does hereby establish and reserve for itself and the Association and their respective successors, and assigns, a permanent and perpetual

nonexclusive easement appurtenant over, across, under, through, and upon all portions of the Common Areas and all Lots and Dwellings which are reasonably necessary for the purpose of installing, erecting, replacing, relocating, maintaining, and operating master television and/or cable systems, security and similar systems, and all utilities necessary or convenient for the use of any portion of the Development, including, without limitation, publicly or privately owned and operated electrical, gas, telephone, water, and sewer services, storm drains and sewers, drainage systems, retention ponds, lakes, basins and facilities, lines, pipes, conduits, equipment, machinery, and other apparatus and appurtenances necessary or otherwise reasonably required in order to provide any utility service to any portion of the Development. Notwithstanding anything provided in this Section 3.02 to the contrary, (i) the utilization of any of the easements and rights established and reserved pursuant to this Section 3.02 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot and (ii) Developer shall use good faith efforts to attempt to cause any utility company or other supplier or provider of any utility service which may utilize any of the easements and rights reserved and established pursuant to this Section 3.02 to take reasonable action to repair any damage caused by such utility company or other supplier or provider of such utility service during the exercise of any rights established and reserved herein.

Section 3.03 Reservation of Maintenance Easement. Subject to the terms and provisions of Section 7.02(b) below, Developer does hereby establish and reserve for the Association and its agents, employees, heirs, successors, and assigns a permanent and perpetual right and easement to enter upon any Lot or Dwelling for the purpose of installing and maintaining landscaping at the entrance; mowing, removing, clearing, cutting, or pruning underbrush, weeds, stumps, or other unsightly growth and removing trash so as to maintain reasonable standards of health, fire, safety, and appearance with the Development; provided, however, that such easement shall not impose any duty or obligation upon Developer or the Association to perform any of the foregoing actions.

Section 3.04 Reservation of Environmental Easement. Developer does hereby establish and reserve for itself, the ARC, the Association, and their respective agents, employees, heirs, successors, and assigns a permanent and perpetual right and easement on, over, across, and upon all Lots and all unimproved portions of any Dwellings for the purpose of taking any action necessary to effect compliance with the Architectural Standards or any watershed, soil erosion, or environmental rules, regulations, and procedures from time to time promulgated or instituted by any Governmental Authorities or the Board. The easement and right established and reserved herein shall include, without limitation, the right to implement erosion control procedures and practices, the right to drain standing water, and the right to take any other action which may be required in order to satisfy the requirements of the Architectural Standards or any Governmental Authorities. Except in the case of an emergency situation or a perceived emergency situation, the exercise by Developer or the Association of the rights reserved in this Section 3.04 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot.

Article IV. Association

Section 4.01 Membership. The Owner of each Lot or Dwelling shall be a member of the Association. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot or Dwelling; provided, however, that (a) Developer shall be deemed a member of the Association and shall have one (1) vote for each Lot or Dwelling owned by Developer in the Development, (b) in the event any Lot or Dwelling is owned by more than one (1) person, then the Owner of such Lot shall designate only one (1) representative to serve as a member of the Association who shall exercise all voting rights attributable to the Lot or Dwelling owned by such Owner, and (c) no Mortgagee shall become a member of the Association until such time, if at all, that the Mortgagee becomes an Owner by virtue of foreclosure

of its Mortgage and title to such encumbered Lot or Dwelling is vested in Mortgagee pursuant to a duly recorded deed. The transfer or conveyance of fee title to any Lot or Dwelling (other than by a Mortgage as security for the payment of an obligation) shall automatically include the transfer of all membership rights of such Owner in the Association with respect to the Lot or Dwelling transferred and conveyed, notwithstanding any failure of the transferor to endorse to the transferee any certificates, assignments, or other evidence of such membership. Membership or the rights and benefits in the Association may not be transferred, assigned, conveyed, or otherwise alienated in any manner separate and apart from the ownership of a Lot or Dwelling. Each member of the Association shall at all times comply with the provisions of this Declaration, the Articles of Incorporation, the Bylaws, and all rules and regulations which may from time to time be adopted by the Board or the members of the Association.

Section 4.02 Board. The Board shall have the rights and duties set forth in the Articles of Incorporation and the Bylaws. Developer hereby retains and shall have the right to appoint or remove, with or without cause, any member or members of the Board and any officer or officers of the Association until such time as Developer no longer is the Owner of any Lot or Dwelling within the Development. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, vests in Developer such authority to appoint and remove members of the Board and officers of the Association as provided by this Section 4.02.

Section 4.03 Voting Rights. Subject to the rights reserved to Developer in the Articles of Incorporation and Bylaws and the rights of the Association to suspend any Owner's voting rights or privileges in the Association pursuant to Section 11.01 below, the Owner of each Lot or Dwelling shall be entitled to one (1) vote in any matters submitted to the members of the Association for approval. No Owner, whether one or more persons, shall have more than one membership and one vote per Lot or Dwelling. Such voting rights shall continue to apply to each Lot or Dwelling upon the addition of any of the Additional Property to this Declaration. Each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, consents and agrees to the dilution of his voting interest in the Association by virtue of the resubdivision of any Lot by Developer or the submission of any Additional Property to the terms of this Declaration. In no event, whether as a result of there being multiple ownership interests in any Lot or Dwelling or otherwise, shall more than one vote be allowed for any one Lot or Dwelling. Fractional voting shall not be permitted. For purposes of this Section 4.03, Developer shall be deemed to be the Owner of and entitled to all voting rights attributable to any Lots or Dwellings owned by Developer.

Section 4.04 Duties and Powers of Association. In addition to the rights, duties, responsibilities and obligations of the Association otherwise set forth in this Declaration, the Association shall have the power to do, cause to be done, and otherwise perform or cause to be performed any of the duties and powers set forth in the Articles of Incorporation and the Bylaws. The Association may exercise any other right or privilege granted to it expressly by this Declaration or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. In the event of any conflict, ambiguity, or inconsistency between the Code of Alabama, this Declaration, the Articles of Incorporation, the Bylaws, or any rules and regulations adopted by the Association, then the provisions of the Code of Alabama, this Declaration, the Articles of Incorporation, the Bylaws, and any rules and regulations adopted by the Association, in that order, shall prevail and each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, covenants and agrees to vote in favor of and execute any amendments as may be necessary to remove or alleviate any such conflict, ambiguity, or inconsistency. The powers of the Association shall include, but not be limited to, (i) the power to purchase one or more Lots and/or Dwellings and any other real or personal property, whether tangible or intangible, and to hold, lease, mortgage, sell, and otherwise convey the same, (ii) subject to the provisions of this Section 4.04, the right to borrow money for the purpose of acquiring additional Common Areas, for constructing, repairing, maintaining, or improving the Common Areas or any portion thereof or for providing any of the services authorized herein, (iii) subject to the provisions of this Section 4.04, the right to give Mortgages or other security instruments encumbering all

or any part of the Common Areas as security for any loan obtained by the Association; provided, however, that the lien and encumbrance of any such Mortgage shall be subject and subordinate to all of the rights, interests, privileges, easements, licenses, and options reserved or established herein for the benefit of Developer, the ARC, the Association, and all Owners and Occupants, (iv) the right to grant and accept easements, (v) the right to dedicate or transfer fee simple title to all or any portion of the Common Areas to any Governmental Authority; provided, however, that except as provided in Section 9.03 below, the dedication or transfer of title to any of the Common Areas must be approved by a majority of those Owners present in person or by proxy at a duly held meeting of the Association called for such purpose, and (vi) the right to arrange with any of the Governmental Authorities or any public or private utilities or others, for the furnishing of trash collection, water, sewer, and/or security services for the Common Areas and/or the Lots and Dwellings. For so long as Developer shall own any Lot or Dwelling, the Association shall not, without the consent of Developer, borrow money or pledge, mortgage, encumber, sell, or otherwise convey any interest it may have in the Common Areas. Except as otherwise specifically provided to the contrary herein, in the Articles of Incorporation or in the Bylaws, the powers and authority granted to the Association may be exercised by the Board, acting through the officers of the Association, without further consent or action on the part of the Owners.

Section 4.05 Agreements. Subject to the conditions, restrictions, and other provisions of this Declaration, all agreements, actions, and determinations lawfully authorized by the Board shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors, and assigns and all others having any interest in the Development. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice such duties of the Association as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of any portion of the Development, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. All costs and expenses incurred incident to the employment of a manager of the Development or any of the Common Areas shall be a Common Expense. During the term of any such management agreement entered into by the Association with a third party, such manager may, if authorized by the Board, exercise all the powers and shall be responsible for the performance of all of the duties of the Association, excepting any of such powers or duties specifically and exclusively reserved to the Board or the officers of the Association by the Declaration, the Articles of Incorporation, or the Bylaws. Such manager may be an individual, corporation, or other legal entity and may be bonded in such manner as the Board may require, with the costs of such bond to be a Common Expense. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Development, or the enforcement of this Declaration, the Articles of Incorporation, the Bylaws, or any rules and regulations of the Association.

Section 4.06 Management by Developer or its Affiliates. Developer or any affiliate thereof may be employed as the manager of the Association and the Development for so long as Developer owns any Lot or Dwelling within the Development, at such compensation and on such terms as would be usual, customary, and obtainable in an arms-length transaction with any third party providing comparable services for any real estate development in the southeastern United States of the size, quality, and nature of the Development. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, shall be deemed to ratify the provisions of this Section 4.06 and specifically be deemed to have approved any such management agreement entered into by the Association and Developer or any affiliate thereof.

Section 4.07 Rules and Regulations. The Board may establish and enforce reasonable rules and regulations governing the use of all Lots, Dwellings, and Common Areas. Without limiting the foregoing, the Board may adopt rules and regulations which shall govern the use of any of the Common Areas

(including specifically, the use of any of the recreational facilities, if any, situated within the Common Areas), the enforcement of all of the terms and provisions of this Declaration, and any rules and regulations adopted by the Board and such other matters. Copies of such rules and regulations shall be binding upon all Owners and Occupants until and unless such rule or regulation is specifically overruled, canceled, or modified by the Board or by the majority vote of the total votes of the Association at any regular or special meeting of the Association; provided, however, that no such rules or regulations may be overruled, canceled, or modified unless such action is also approved by Developer for so long as Developer owns any Lot or Dwelling in the Development.

Section 4.08 Indemnification. The Association shall and does hereby indemnify, defend, and agree to hold each and every officer, agent, representative, and member of the Board of the Association harmless from and against any and all expenses, including court costs and reasonable attorneys' fees, suffered, paid, or incurred by any such officer, agent, representative, or member of the Board in connection with any action, suit, or other proceedings (including the settlement of any suit or proceedings if approved by the Board) to which such person may be made a party by reason of being or having been an officer, agent, representative, or member of the Board of the Association. The officers, agents, representatives, and members of the Board of the Association shall not be liable for any mistake in judgment, negligence, or otherwise except for their own willful misconduct or reckless disregard of duty, as finally determined by a court of competent jurisdiction. The officers, agents, representatives, and members of the Board of the Association shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association, and the Association shall and does hereby indemnify, defend, and agree to forever hold each such officer, agent, representative, and member of the Board harmless from any and all liability to others on account of any such contract or commitment. The indemnification obligations and rights provided for herein shall not be exclusive of any other rights to which any officer, agent, representative, or member of the Board of the Association may be entitled, including anything provided to the contrary contained in the Articles of Incorporation or the Bylaws. The Association shall maintain adequate general liability and officers and directors liability insurance in order to fulfill its obligations under this Section 4.08 and the costs of such insurance shall constitute a Common Expense.

- (c) Any member of the ARC may be removed, with or without cause, by (i) Developer, in its sole discretion, during the period of time that the provisions of Section 5.02(a) above are in effect or (ii) the Board, in the event the provisions of Section 5.02(b) above are in effect. In the event of death or resignation of a member of the ARC, then Developer, in the event the provisions of Section 5.02(a) above are applicable, or the Board, in the event the provisions of Section 5.02(b) above are applicable, as the case may be, shall appoint a substitute member of the ARC to fill the vacancy of such deceased or resigning member for the remainder of the term of such former member.

A majority of the total number of members of the ARC shall constitute a quorum of the ARC for the transaction of business and the affirmative vote of a majority of those present in person or by proxy at a meeting of the ARC shall constitute the action of the ARC on any matter which comes before it. The ARC is authorized to retain the services of consulting architects, landscape architects, designers, engineers, inspectors, and/or attorneys in order to advise and assist the ARC in performing its functions set forth herein. Each member of the ARC may be paid a stipend or honorarium as may from time to time be determined by the Board of the Association and shall otherwise be entitled to a reimbursement of expenses incurred on behalf of the ARC, subject to the approval of such expenses by the Board of the Association. The ARC shall have the right from time to time to adopt and establish such rules and regulations as may be determined to be necessary concerning the procedure, notice of meetings, and all other matters concerning the conduct of the business of the ARC.

Section 5.04 Architectural Standards. The ARC is hereby authorized to promulgate and amend or modify from time to time written Architectural Standards governing policies, guidelines, and minimum requirements to be satisfied with respect to the construction, location, landscaping, and design of all Dwellings and other Improvements on any Lot, the content and manner in which plans and specifications and other documentation and information concerning the construction of any Dwelling or other Improvements on a Lot are to be submitted to and approved by the ARC, and any other matters affecting the construction, repair, or maintenance of any Dwelling or other Improvements on any Lot. The Architectural Standards adopted by the ARC shall be in addition to the provisions and requirements set forth in this Declaration and shall be binding upon and enforceable against all Owners.

Section 5.05 Approval of Plans and Specifications.

- (a) IN ORDER TO PRESERVE THE ARCHITECTURAL AND AESTHETIC APPEARANCE AND THE NATURAL SETTING AND BEAUTY OF THE DEVELOPMENT, TO ESTABLISH AND PRESERVE A HARMONIOUS DESIGN FOR THE DEVELOPMENT, AND TO PROTECT AND PROMOTE THE VALUE OF THE PROPERTY, THE LOTS, THE DWELLINGS, AND ALL IMPROVEMENTS THEREON, NO IMPROVEMENTS OF ANY NATURE SHALL BE COMMENCED, ERECTED, INSTALLED, PLACED, MOVED ONTO, ALTERED, REPLACED, RELOCATED, PERMITTED TO REMAIN ON OR MAINTAINED ON ANY LOT OR DWELLING BY ANY OWNER, OTHER THAN DEVELOPER, WHICH AFFECT THE EXTERIOR APPEARANCE OF ANY LOT OR DWELLING UNLESS PLANS AND SPECIFICATIONS THEREFOR HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.05(b) BELOW. WITHOUT LIMITING THE FOREGOING, THE CONSTRUCTION AND INSTALLATION OF ANY DWELLINGS, SIDEWALKS, DRIVEWAYS, PARKING LOTS, MAILBOXES, DECKS, PATIOS, COURTYARDS, SWIMMING POOLS, TENNIS COURTS, GREENHOUSES, PLAYHOUSES, AWNINGS, WALLS, FENCES, EXTERIOR LIGHTS, GARAGES, GUEST OR SERVANT'S QUARTERS, OR ANY OTHER OUTBUILDINGS,

SHALL NOT BE UNDERTAKEN, NOR SHALL ANY EXTERIOR ADDITION TO OR CHANGE OR ALTERATION BE MADE (INCLUDING, WITHOUT LIMITATION, PAINTING OR STAINING OF ANY EXTERIOR SURFACE) TO ANY DWELLING OR IMPROVEMENTS, UNLESS THE PLANS AND SPECIFICATIONS FOR THE SAME HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.05 (b) BELOW.

- (b) The ARC is hereby authorized and empowered to approve all plans and specifications and the construction of all Dwellings and other Improvements on any part of the Property. Prior to the commencement of any Dwelling or other Improvements on any Lot or Dwelling, the Owner thereof shall submit to the ARC plans and specifications and related data for all such Improvements, which shall include the following:
 - (i) Two (2) copies of an accurately drawn and dimensioned site development plan indicating the location of any and all Improvements, including, specifically, the Dwelling to be constructed on said Lot, the location of all driveways, walkways, decks, terraces, patios, and outbuildings and the relationship of the same to any set-back requirements applicable to the Lot or Dwelling, the finished floor elevation and a grading plan. A grading plan is required if there are to be significant elevation changes to the existing and/or natural contour of the lot.
 - (ii) Two (2) copies of a foundation plan, floor plans, and exterior elevation drawings of the front, back, and sides of the Dwelling to be constructed on the Lot.
 - (iii) Two (2) copies of written specifications and, if requested by the ARC, samples indicating the nature, color, type, shape, height, and location of all exterior materials to be used in the construction of the Dwelling on such Lot or any other Improvements thereto, including, without limitation, the type and color of all brick, stone, stucco, roofing, and other materials to be utilized on the exterior of a Dwelling and the color of paint or stain to be used on all doors, shutters, trim work, eaves, and cornices on the exterior of such Dwelling.
 - (iv) One (1) copy of the lighting plan, including specifications, for any exterior lighting to be utilized with respect to such Lot or Dwelling.

- (c) The ARC shall, in its sole discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. One copy of all plans, specifications, and related data so submitted to the ARC shall be retained in the records of the ARC and the other copy shall be returned to the Owner submitting the same marked "approved," "approved as noted," or "disapproved." The ARC shall establish a fee sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, designers, engineers, inspectors, and/or attorneys retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof. Notwithstanding anything provided herein to the contrary, an Owner may make interior improvements and alterations within his Dwelling that do not affect exterior appearance without the necessity or requirement that ARC approval or consent be obtained.
- (d) The ARC shall have the right to disapprove any plans and specifications upon any ground which is inconsistent with the objectives and purposes of this Declaration, including purely aesthetic

considerations, any failure to comply with any of the provisions of this Declaration or the Architectural Standards, failure to provide requested information, objection on the ground of incompatibility of any such proposed improvement with the scheme of development proposed for the Development, objection to the location of any proposed Improvements on any such Lot, objection to the landscaping plan for such Lot or Dwelling, objection to the color scheme, finish, proportions, style of architecture, height, bulk, or appropriateness of any Improvement or any other matter which, in the sole judgment of the ARC, would render the proposed Improvement inharmonious with the general plan of development contemplated for the Development. The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot or Dwelling shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements or Dwelling. Approval of plans and specifications by the ARC for Improvements to one particular Lot or Dwelling shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot or Dwelling within the Development.

- (e) In the event the ARC fails to approve in writing any such proposed plans and specifications within forty-five (45) days after such plans and specifications have been submitted, then the plans and specifications so submitted will be deemed to have been approved.
- (f) Any revisions, modifications, or changes in any plans and specifications previously approved by the ARC must be approved by the ARC in the same manner specified above.
- (g) If construction of the Dwelling or the Improvements has not substantially commenced (e.g., by clearing and grading, pouring of footing, and otherwise commencing framing and other related construction work) within one (1) year of approval by the ARC of the plans and specifications for such Dwelling or other Improvements, then no construction may be commenced (or continued) on such Lot or Dwelling and the Owner of such Lot or Dwelling shall be required to resubmit all plans and specifications for any Dwelling or other Improvements to the ARC for approval in the same manner specified above.

Section 5.06 Landscaping Approval. In order to enhance the aesthetic appearance of the Property, no landscaping, grading, excavation, or fill work of any nature shall be implemented or installed by any Owner, other than Developer, on any Lot or Dwelling unless and until landscaping plans therefore have been submitted to and approved by the ARC. The provisions of Section 5.05 above regarding the method that such plans are to be submitted to the ARC, the time for approval or disapproval of the same, and the method of approving modifications or changes thereto shall be applicable to such landscaping plans.

Section 5.07 Construction Without Approval. If (a) any Improvements are initiated, installed, maintained, altered, replaced, or relocated on any Lot or Dwelling without ARC approval of the plans and specifications for the same or (b) the ARC shall determine that any approved plans and specifications for any Improvements or the approved landscaping plans for any Lot or Dwelling are not being complied with, then, in either event, the Owner of such Lot or Dwelling shall be deemed to have violated this Declaration and the ARC shall have the right to exercise any of the rights and remedies set forth in Section 5.13 below.

Section 5.08 Inspection. The ARC or any agent, employee, or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot or Dwelling or any Improvements being constructed thereon in order to determine whether the approved plans and specifications therefore are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the ARC.

Section 5.09 Subsurface Conditions. The approval of plans and specifications by the ARC for any Dwelling or other Improvements on a Lot or Dwelling shall not be construed in any respect as a representation or warranty by the ARC or Developer to the Owner submitting such plans or to any of the successors or assigns of such Owner that the surface or subsurface conditions of such Lot or Dwelling are suitable for the construction of the Improvements contemplated by such plans and specifications. It shall be the sole responsibility of each Owner to determine the suitability and adequacy of the surface and subsurface conditions of any Lot or Dwelling for the construction of any contemplated Improvements thereon.

Section 5.10 Limitation of Liability. Notwithstanding anything provided herein to the contrary, neither Developer, the ARC, the Association, nor any agent, employee, representative, member, shareholder, partner, officer, or director thereof shall have any liability of any nature whatsoever for any damage, loss, or prejudice suffered, claimed, paid, or incited by any Owner on account of (a) any defects in any plans and specifications submitted, reviewed, or approved in accordance with the provisions of this Article V, (b) any defects, structural or otherwise, in any work done according to such plans and specifications, (c) the failure to approve or the disapproval of any plans, drawings, specifications, or other data submitted by any Owner for approval pursuant to the provisions of this Article V, (d) the construction or performance of any work related to such plans, drawings, and specifications, (e) bodily injuries (including death) to any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees, or licensees of any such Owner or Occupant, or any damage to any Dwellings, Improvements, or the personal property of any Owner, Occupant, or the respective family members, guests, employees, servants, agents, invitees, or licensees of such Owner or Occupant, which may be caused by, or arise as a result of, any defect, structural or otherwise, in any Dwellings or Improvements or the plans and specifications therefore or any past, present, or future soil, and/or subsurface conditions, known or unknown (including, without limitation, sink-holes, underground mines, tunnels, and water channels, and limestone formations on or under any Lot or Dwelling), and (f) any other loss, claim, damage, liability, or expense, including court costs and attorneys' fees, suffered, paid, or incurred by any Owner arising out of or in connection with the use and occupancy of any Lot, Dwelling, or any Improvements situated thereon.

Section 5.11 Commencement and Completion of Construction. Upon commencement of construction of any Dwelling, construction work thereon shall be prosecuted diligently and continuously and shall be completed within one (1) year of the commencement date of said construction, such completion to be evidenced by a certificate of occupancy issued by the appropriate Governmental Authorities.

Section 5.12 Sales and Construction Activities. Notwithstanding any provisions or restrictions contained in this Declaration to the contrary, Developer, its agents, employees, successors, and assigns, shall have the right and option to maintain and carry on such facilities and activities as may be reasonably required, convenient or incidental to the completion, improvement and sale of Lots and/or Dwellings or the development of Lots, Dwellings, Common Areas, and the Additional Property, including, without limitation, the installation and operation of sales and construction trailers and offices, signs, and model Dwellings, all as may be approved by Developer from time to time; provided, however, that the location of any construction trailers of any assignees of Developer's rights under this Section 5.12 shall be subject to Developer's approval. The right to maintain and carry on such facilities and activities shall include, without limitation, the right to use Dwellings as model residences and as offices for the sale of Lots and/or Dwellings and for any related activities.

Section 5.13 Enforcement and Remedies. In the event any of the provisions of this Article V are breached or are not otherwise being complied with in all respects by any Owner or Occupant or the respective family members, guests, invitees, agents, employees, or contractors of any Owner or Occupant, then the ARC and the Association shall have the right, at their option, to (a) enjoin any further construction on any Lot or Dwelling and require the removal or correction of any work in place which does not comply with the plans and specifications approved by the ARC for such Improvements and/or (b)

through their designated agents, employees, representatives, and independent contractors, enter upon such Lot or Dwelling and take all action necessary to extinguish such violation or breach. All costs and expenses incurred by the ARC or the Association in enforcing any of the provisions of this Article V, including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners, and any other persons involved in the correction of nonconforming work, the completion of uncompleted work, or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Association in causing any Owner or such Owner's contractors, agents, or invitees to comply with the terms and provisions of this Article V, shall be paid by such Owner, shall constitute an individual Assessment to such Owner pursuant to Section 8.06 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 8.09 below and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the rights and remedies of the ARC and the Association set forth herein shall not be deemed exclusive of any other rights and remedies which the ARC or the Association may exercise at law or in equity or any of the enforcement rights specified herein.

Section 5.14 Compliance Certification. The ARC or any authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to an Owner a certificate in writing setting forth whether all necessary ARC approvals have been obtained and whether any Dwelling or Improvement has been constructed in accordance with the provisions of this Declaration.

The Common Areas shall not, unless expressly permitted by the Association, be utilized for the parking or storage of any of the foregoing vehicles, recreational vehicles, machinery, or equipment.
- (b) Each Lot or Dwelling shall provide for adequate off-street parking (i.e., parking areas located solely within the property lines of such Lot or Dwelling). Vehicles shall be parked only in driveways constructed in accordance with the provisions of Section 6.19 above or in garages constructed in accordance with the provisions of Section 6.13 above. Vehicles shall not be parked on any landscaped or natural areas of a Lot or Dwelling.
- (c) Any vehicle which is inoperable shall be immediately removed from the Development. No Owner or Occupant shall repair or restore any vehicle, machinery, or equipment of any kind upon or within any Lot or Dwelling or within any portion of the Common Areas except (i) within enclosed garages or workshops or (ii) for minor service work or emergency repairs and then only to the extent necessary to enable the immediate movement thereof to a proper repair facility located outside of the Development.

Used construction materials may be burned on-site so long as such burning does not create a nuisance to other Owners or violate the laws, ordinances, codes, statutes, rules, or regulations of any applicable Governmental Authority; in no event, however, shall any used construction materials be buried on or beneath any Lot Dwelling, or any other portion of the Development. No Owner shall allow dirt, mud, gravel, or other substances to collect or remain on any street. Each Owner and each Owner's contractor, subcontractors, laborers, and suppliers shall cause all such dirt, mud, gravel, and other substances to be removed from the treads and wheels of all vehicles used in or related to the construction of Improvements on a Lot or Dwelling prior to such vehicles traveling on any streets within the Development.
- (b) During the construction of any Improvements or Dwellings, construction equipment and the vehicles of all contractors, subcontractors, laborers, material-men, and suppliers shall (i) utilize off-street parking if available, and if unavailable, parking should be on street and not in such a manner as to prohibit or dampen traffic flow, and (ii) not damage trees or other vegetation on such Lot which, pursuant to the provisions of Section 6.06 above, are to be preserved.
- (c) Up to two (2) signs, in size and color approved by the ARC, may be posted on a Lot at a height not to exceed five (5) feet from the ground level advertising the Lot or the Dwelling thereon for sale or, during the construction of such Dwelling, containing information identifying the builder of such Dwelling. No other signage, banners, flags, or advertising posters shall be allowed without obtaining ARC approval. The location of such signage shall be established by the ARC but in no event shall any signage authorized by this Section 6.27 or which may be approved by the ARC be attached, nailed, or otherwise adhered to any tree or other plant life on a Lot.
- (d) No construction trucks, equipment, or machinery, including any trailers used for the transportation of construction equipment or machinery, shall be parked overnight on any streets or roads within the Development. Upon completion of construction of any Improvements or any Dwelling, all construction machinery, tools and equipment, all unused construction materials, and all trash, debris, and rubbish shall be immediately removed from the Lot or Dwelling and such Lot or Dwelling shall be kept and maintained in a clean and uncluttered condition.
- (e) All Dwellings and any other Improvements shall be constructed in compliance with the Architectural Standards and all applicable federal, state, county, and local laws, ordinances, rules, regulations, and zoning and building code requirements. Each Owner shall be solely responsible for obtaining from the appropriate Governmental Authorities all necessary permits and licenses and otherwise paying all required fees for the construction of any improvements on such Owner's Lot. Each Owner shall also be responsible for strict compliance with the Architectural Standards and all

applicable watershed protection, soil erosion, and other governmental requirements, both during and after completion of construction of any Improvements on such Owner's Lot.

Section 6.28 Subdivision and Interval Ownership. No Lot may be subdivided or resubdivided without the prior written approval of the ARC; provided, however, that the provisions of this Section 6.28 shall not be applicable to Developer. No Lot or Dwelling shall be sold or owned under any time-sharing, time-interval, or similar right-to-use programs.

Section 6.29 Swimming Pools and Tennis Courts. Swimming pools, outdoor hot tubs, reflecting ponds, saunas, whirlpools, lap pools, and tennis courts may be constructed, installed, and maintained on any Lot or Dwelling subject to the prior written approval of the plans for the same by the ARC and the restrictions contained herein. The ARC shall have the right to adopt further rules and regulations governing the construction of swimming pools, other outdoor water features or amenities, and tennis courts within the Development.

Section 6.30 Compliance with Governmental Regulations. Each Owner and Occupant shall at all times comply with all applicable laws, ordinances, statutes, rules, regulations, requirements, and code provisions of the Governmental Authorities.

Section 6.31 Additional Regulations. In addition to the restrictions set forth in this Declaration, the (i) ARC shall have the right, in its sole discretion, from time to time and at any time to adopt, modify, and amend the Architectural Standards in order to impose such other, further, or different requirements or restrictions which shall be binding on all Owners, Lots, and Dwellings, including the adoption of additional or more specific requirements and restrictions governing the improvement and use of any Lot or Dwelling, and (ii) Board of the Association shall have the right from time to time and at any time to adopt, modify, and amend such rules and regulations as the Board, in its sole discretion, determines to be in the best interests of all Owners, which rules and regulations shall be binding on all Owners, Lots, and Dwellings.

Section 6.32 Variances. The ARC, in its sole and absolute discretion, shall have the exclusive right to grant variances with respect to the provisions of Article V above and this Article VI with respect to any Lot or Dwelling. Any variance request submitted to the ARC shall be in writing and, upon approval of the same by the ARC, shall be evidenced by a written variance executed by either the chairman or vice chairman of the ARC. The provisions of Section 5.03 above concerning meetings, a quorum of members, and the number of votes necessary to approve action taken by the ARC shall be binding upon the ARC in any matters regarding the granting of variances.

Section 6.33 Enforcement and Remedies. In the event any of the provisions of this Article VI are breached or are not otherwise being complied with in all aspects by any Owner or Occupant or the respective family members, guests, invitees, agents, employees, or contractors or any Owner or Occupant, then the Association or the ARC shall each have the right, at their option, to (a) enjoin such violation or noncompliance and/or (b) through their designated agents, employees, representatives, and independent contractors enter upon such Lot or Dwelling and take all action necessary to extinguish or correct such violation or breach. All costs and expenses incurred by the ARC or the Association in enforcing any of the provisions of this Article VI, including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners, and any other persons involved in the correction of any noncompliance or the removal of such violation or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Association in connection therewith, shall be paid by such Owner who has violated or breached any of the provisions of this Article VI, shall constitute an individual Assessment to such Owner pursuant to Section 8.06 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 8.09 below, and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the rights and remedies of the ARC and the Association set forth herein shall not be deemed exclusive of any other rights and

remedies which the ARC or the Association may exercise at law or in equity or any of the enforcement rights specified herein.

Article VII. Maintenance Responsibilities

7.1. Responsibilities of Owners.

- 7.1.a. Unless specifically identified herein as being the responsibility of the Association, the maintenance and repair of all Lots, Dwellings, and all other Improvements situated thereon or therein, and all lawns, landscaping, and grounds on or within a Lot or Dwelling shall be the responsibility of the Owner of such Lot or Dwelling. Each Owner shall be responsible for maintaining his or its Lot or Dwelling, as the case may be, in a neat, clean, and sanitary condition, both inside and outside of any Dwellings or Improvements thereto. Such responsibilities shall include, without limitation, maintaining at all times appropriate paint and stain finishes on all Dwellings and other Improvements and reroofing or replacing roofing shingles when the same become worn or would be replaced by a prudent Owner. No exterior changes, alterations, or improvements shall be made to any Lot or Dwelling without first obtaining the prior written approval of the same from the ARC.
- 7.1.b. Each Lot or Dwelling, as the case may be, shall be landscaped in accordance with plans and specifications submitted to and approved by the ARC pursuant to Section 5.06 above. All areas of any Lot or Dwelling which are not improved by the construction of a Dwelling thereon shall at all times be maintained by the Owner in a fully and well kept landscaped condition. The maintenance obligations set forth in this Section 7.01(b) shall apply to all portions of a Lot or Dwelling up to the edge of the pavement of any roadway abutting such Lot or Dwelling and shall be binding on the Owner of each Lot or Dwelling at all times, either prior, during, or after the construction of any Improvements thereon. Grass, hedges, shrubs, vines, and any other vegetation of any type on any Lot shall be cut and trimmed at regular intervals at all times in order to maintain the same in a neat, safe, and attractive condition. Trees, shrubs, vines, plants, and other vegetation which die shall be promptly removed and replaced with living plants of like kind and quantity. Dead vegetation, stumps, weeds, rubbish, debris, garbage, and waste materials shall be promptly removed from any Lot or Dwelling and properly disposed of outside of the Development.
- 7.1.c. No Owner shall (i) decorate, change, or otherwise alter the appearance of any portion of the exterior of a Dwelling or the landscaping, grounds, or other improvements within a Lot unless such decoration, change, or alteration is first approved, in writing, by the ARC as provided in Sections 5.05 and 5.06 above or (ii) do any work which, in the reasonable opinion of the ARC, would jeopardize the soundness and safety of the Development, reduce the value thereof, or impair any easement or hereditament thereto, without in every case obtaining the prior written approval of the ARC.

7.2. Responsibilities of Association.

- 7.2.a. Except as may be otherwise provided herein to the contrary and subject to the provisions of Section 4.08 above, the Association shall to the extent it has received sufficient sums from the Owners through Assessments, maintain and keep in good repair and condition all portions of the Common Areas, and the landscaping and signs at the entrance to the property, which responsibility shall include the maintenance, repair, and replacement of (i) all private streets and roads within the Development, walks, trails, paths, walkways, bicycle and jogging paths and lanes, parking lots, landscaped areas, recreational areas, and other improvements made by Developer or the Association within any of the Common Areas or within any of the easements encumbering the Lots or Dwellings as provided in Article III above, (ii) such security systems, guardhouses, entrance gates, and utility lines, pipes, plumbing, wires, conduits, and related systems, appurtenances, equipment, and machinery which are a part of the Common Areas and which are not maintained by a public authority, public service district, public or private utility, or other person, (iii) all lawns, trees, shrubs, hedges, grass, and other landscaping and all lakes and ponds situated within or upon the Common Areas, and (iv) all retention lakes, ponds, and other water areas and facilities constructed by Developer or the Association, wherever located (either within or outside of the Development so long as the same are utilized for the benefit of the Development), including, without limitation,

implementing and maintaining siltation, soil erosion, and sedimentation programs and otherwise dredging, cleaning, and maintaining all siltation ponds and appurtenances thereto as may be necessary or otherwise required by any Governmental Authorities. The Association shall not be liable for injuries or damage to any person or property (1) caused by the elements, act of God, or any Owner or other person, (2) resulting from any surface or subsurface conditions which may at any time affect any portion of the Property caused by rain or other surface water which may leak or flow from any portion of the Common Area onto a Lot or Dwelling, or (3) resulting from thief, burglary, or other illegal entry into the Development, any Lot or Dwelling thereof. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken by or performed by the Association hereunder or for inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association or from any action taken by the Association to comply with any requirements of the Governmental Authorities.

- 7.2.b. In the event that the Board of the Association determines that (i) any maintenance, cleaning, repair, or replacement for which the Association is responsible hereunder is caused by the willful or negligent act of an Owner or Occupant, or their respective family members, guests, servants, employees, invitees, or contractors, and the costs of such maintenance, cleaning, repair, or replacement are not paid in full from insurance proceeds, if any, received by the Association with respect thereto, then, in either event, the Association, in addition to the exercise of any of the rights and remedies set forth in this Declaration, may give such Owner written notice of the Association's intent to provide such necessary maintenance, cleaning, repair, or replacement, at the sole cost and expense of such Owner and setting forth in reasonable detail what action is deemed necessary. Except in the event of emergency situations, such Owner shall have fifteen (15) days within which to complete the same in a good and workmanlike manner or, if the same is not capable of completion within such fifteen (15) day period, to commence such maintenance, cleaning, repair, or replacement and to proceed diligently with the completion of the same in a good and workmanlike manner. In the event of emergency situations or the failure by any Owner to comply with the provisions hereof after such notice, the Association may provide (but shall not be obligated to provide) any such maintenance, cleaning, repair, or replacement at the sole cost and expense of such Owner and said cost shall be a personal obligation of such Owner, shall constitute an individual Assessment to such Owner, and shall be subject to the lien and foreclosure rights granted pursuant to Section 8.09 below.

Article VIII. Common Area Assessments

Section 8.01 Assessments and Creation of Lien. Each Owner of a Lot or Dwelling, by acceptance of a deed or other instrument conveying any interest therein, regardless of whether such deed or instrument contains a reference to this Declaration, is hereby deemed to covenant and agree to pay to the Association: (a) annual Assessments, as established and to be collected as provided in Section 8.04 below, (b) special Assessments, to be established and collected as provided in Section 8.05 below, and (c) individual Assessments against any particular Lot or Dwelling which are established or assessed pursuant to the terms of this Declaration, including, but not limited to, any fines as may be levied or imposed against such Lot or Dwelling in accordance with the provisions herein. All Assessments, together with late charges and interest as provided in Section 8.09(a) below, and all court costs and attorneys' fees incurred by the Association to enforce or collect such Assessments, shall be an equitable charge and a continuing lien upon each Lot or Dwelling for which the Owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided in Section 8.09(c) below. Each Owner shall be personally liable for the payment of all Assessments coming due while he is the Owner of a Lot or Dwelling and his grantee shall take title to such Lot or Dwelling subject to the equitable charge and continuing lien therefore, but without prejudice to the rights of such grantee to recover from his grantor any amounts paid by such grantee to the Association which were the legal obligations of the grantor. All Assessments, together with late charges and interest at the Applicable Rate, as specified in Section 8.09(a) below, court costs, and attorneys' fees incurred with respect thereto by the Association, shall also be a personal

obligation of the person who was the Owner of the Lot or Dwelling at the time such Assessments and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot or Dwelling, all of the co-Owners shall be jointly and severally liable for the entire amount of such Assessments. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of the Association. All Assessments shall be payable in all events without offset diminution, or abatement by reason of fire or other casualty or any taking as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation, or by private purchase in lieu thereof with respect to any Lot, Dwelling, Common Areas, or any other portion of the Development or any other cause or reason of any nature.

Section 8.02 Purpose of Assessments. The annual and special Assessments provided for herein shall be used for the general purposes of promoting the health, safety, welfare, common benefit and enjoyment of the Owners and Occupants of the Development and otherwise for the general upkeep and maintenance of the Development, including, specifically, the Common Areas and any Improvements thereto, all as may be more specifically authorized from time to time by the Board of the Association

Section 8.03 Uniform Rate of Assessments.

- (a) Both annual and special Assessments, as described in Sections 8.04 and 8.05 below, shall be assessed against each Lot or Dwelling in the Development at a uniform rate, with the Owner of each Lot or Dwelling being required to pay his pro rata portion of such annual and/or special Assessments, as determined by a fraction, the numerator of which shall be the total Lots or Dwellings owned by such Owner and the denominator of which shall be the total number of Lots and Dwellings in the Development at the time such annual or special Assessment is levied. Each Lot and Dwelling shall be subject to equal annual and special Assessments.
- (b) Notwithstanding anything provided in Section 8.03(a) above to the contrary, in the event any Additional Property is added to the Development, then the Lots and/or Dwellings within the Additional Property shall be subject to the same annual or special Assessments then being paid by the Owners of all other Lots and Dwellings in the Development, subject to proration as provided in Section 8.08 below.

Section 8.04 Computation of Annual Assessments.

- (a) Notwithstanding anything provided to the contrary in this Declaration, the annual Assessment for each Lot and Dwelling in the Development (including any Lot or Dwelling forming any part of the Additional Property) for the approximate three (3) year period commencing on the date hereof and continuing until and including December 31, 2007, shall be One Hundred and No/100 Dollars (\$100.00) per annum per Lot or Dwelling in the Development. The foregoing shall not limit or restrict any special Assessments levied pursuant to Section 8.05 below (with the approval of a majority of the Owners as provided therein) or, any individual Assessments levied in accordance with the provisions of Section 8.06 below.
- (b) Commencing with the fiscal year of the Association which begins on January 1, 2008 (i.e., from January 1, 2008, through December 31, 2008, which period is hereinafter referred to as the "Base Year"), and annually thereafter, the Board of the Association shall determine and approve annually an annual budget covering the estimated Common Expenses for the Development for the upcoming year, such budget to include a capital contribution or reserve account if necessary for the capital needs of the Association. The amount set forth in such budget shall constitute the aggregate amount of annual Assessments for the then applicable year and each Owner shall pay his pro rata share of the same as provided in Section 8.03 above. A copy of the budget setting forth the amount of annual Assessments to be levied against the Lots and Dwellings for the following year shall be

delivered to each Owner. The provisions of Section 8.04(a) above shall not apply to the Base Year or any subsequent year thereafter.

- (c) In the event the budget for any year after the Base Year results in the Owners being liable for the payment of annual Assessments the increase of which exceed (without regard to proration or adjustment as provided in Section 8.08 below) the greater of either (i) ten percent (10%) of the annual Assessments payable for the entire immediately preceding calendar year or (ii) the percentage increase in the United States Consumer Price Index or any successor index thereto for January of the current year over the index for January of the Base Year (i.e. January 2007) then the budget and the amount of the annual Assessments shall be presented for approval of the Owners at the annual meeting of the Association and must be approved by the vote of a majority of the Owners who are voting in person or by proxy at such meeting. In the event the amount of the annual Assessments does not exceed the limitations set forth above or until such time as a majority of the Owners have approved such increase in the amount of the annual Assessments, then the budget approved by the Board for the then current fiscal year shall be implemented, subject to the restrictions and limitations set forth above on the amount of increase in annual Assessments. The limitations on increases in the amount of annual assessments provided in this Section 8.04(c) shall not be applicable to the Base Year; accordingly, the actual annual Assessments for each Lot and Dwelling for the Base Year may exceed \$100.00 per annum increased by the greater of (1) ten percent (10%) or (2) the percentage increase in CPI from the preceding calendar year.
- (d) If any budget or the amount of annual Assessments collected by the Association at any time proves to be inadequate or insufficient for any reason to fully pay all costs and expenses of the Association and all Common Expenses, then the Board may call a meeting of the Association for the purpose of approving special Assessments as provided in Section 8.05 below. If the actual amount of annual Assessments collected in any one year exceeds the actual costs incurred for Common Expenses for such year, the excess shall be retained by the Association as a reserve for subsequent years' Common Expenses.
- (e) The Common Expenses to be funded by the annual Assessments may include, but shall not be limited to, the following:
 - (i) Salaries, fringe benefits, and other compensation paid and out-of-pocket expenses reimbursed by the Association or its employees, agents, officers, members of the Board, and any third party contractors;
 - (ii) Management fees and expenses of administration, including legal and accounting fees, incurred by the Association;
 - (iii) Utility charges for any utilities serving any of the Common Areas and charges for other common services for the Development including, without limitation, trash collection and security services;
 - (iv) The costs of any insurance policies purchased for the benefit of the Association as required or permitted by this Declaration, including, without limitation, fire, flood, and other hazardous coverage, public liability coverage and such other insurance coverage as the Board determines to be in the best interest of the Association, including errors and omissions insurance, directors and officers liability insurance, and, any other liability insurance coverage for the benefit of the Association, the members of the Board, any officers, employees, agents, or representatives of the Association or for any of the members of the ARC;
 - (v) The expenses of maintaining, operating, repairing, and replacing any portions of the Common Areas for which the Association is responsible, including, without limitation, roads comprising

Common Areas within the Development, which maintenance and repair obligation shall include mowing, landscaping, seeding, cleaning, trash pick-up and removal, paving, repaving, striping, and patching all such roadways comprising Common Areas;

- (vi) Expenses of maintaining, operating, and repairing any other amenities and facilities serving the Development which the Board determines from time to time would be in the best interest of the Association to so maintain, operate and/or repair;
- (vii) The expenses of the ARC which are not defrayed by plan review charges;
- (viii) Ad valorem real and personal property taxes assessed and levied upon any of the Common Areas;
- (ix) The costs and expenses for conducting recreational, culture, or other related programs for the benefit of the Owners and Occupants;
- (x) All other fees, costs, and expenses incurred by the Association in accordance with the terms and provisions of this Declaration or which the Board, in its sole discretion, determines to be appropriate to be paid by the Association, including, without limitation, taxes and governmental charges not separately assessed against Lots or Dwellings; and
- (xi) The establishment and maintenance of a reasonable reserve fund or funds (1) for inspections, maintenance, repair, and replacement of any portions of the Common Areas for which the Association is responsible to inspect, maintain, repair, or replace on a periodic basis, (2) to cover emergencies and repairs required as a result of casualties which are not funded by insurance proceeds, and (3) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments as well as from Emergency expenditures and other matters, all as may be authorized from time to time by the Board.

Section 8.05 Special Assessments. In addition to the annual Assessments authorized in Section 8.04 above and the Special Assessments authorized in Sections 9.01(b) and 9.03(a) (i) below, the Board of the Association may levy in any year special Assessments for Common Expenses or any extraordinary costs incurred by the Association; provided, however, that any such special Assessments (other than special Assessments levied pursuant to Sections 9.01(b) and 9.03(a) (i) below) shall be approved by a majority of the votes of the Owners who are voting in person or by proxy at the meeting called for the purpose of adopting special Assessments pursuant to the provisions of Section 8.07 below. The Board may make such Special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said special Assessments are levied and assessed. Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of Section 8.03 above.

Section 8.06 Individual Assessments. Any expenses of the Association occasioned by the conduct of less than all of the Owners or by any Owner or Occupant, or the respective family members, agents, guests, servants, employees, invitees, or contractors of any Owner or Occupant, shall be specially assessed against such Owners and their respective Lots or Dwellings. The individual Assessments provided for in this Section 8.06 shall be levied by the Board and the amount and due date of such Assessment shall be specified by the Board in a notice to such Owner. The provisions of this Section 8.06 shall apply, without limitation, to any individual Assessments levied pursuant to any other provision hereof.

Section 8.07 Notice of Meetings and Quorum.

- (a) Written notice of the annual meeting of the Association, as well as any other meeting called for the purpose of taking any action authorized in this Article VIII shall be sent to all Owners not less than

ten (10) days nor more than fifty (50) days in advance of such meetings. With respect to annual meetings, the presence in person or by proxy of Owners entitled to cast over 50% of all the votes of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement but the required quorum at the subsequent meeting shall be the presence in person or by proxy of Owners entitled to cast at least one-third (1/3) of the total votes of the Association. At such time as a quorum is obtained, the vote of a majority of the Owners who are voting in person or by proxy at such meeting shall be required to approve any matter in which all of the members of the Association are entitled to vote, including any increase in the amount of annual Assessments in excess of the limitations specified in Section 8.04(c) above.

- (b) With respect to all other meetings of the members of the Association, including, specifically, meetings pursuant to which special Assessments are to be levied upon each Lot or Dwelling pursuant to Section 8.05 above, there shall be no specific requirement establishing a quorum and the vote of a majority of the Owners who are voting in person or by proxy at any such special meeting shall be binding on all of the members of the Association.

Section 8.08 Date of Commencement of Assessments. The annual Assessments provided for herein shall commence as to each Lot or Dwelling on the day on which such Lot or Dwelling is conveyed to a person other than Developer and shall be due and payable in such manner and on such schedule as may be established from time to time by the Board of the Association. Annual Assessments and any outstanding special Assessments shall be adjusted for each Lot or Dwelling according to the number of month then remaining in the then fiscal year of the Association and the number of days then remaining in the month in which such Lot or Dwelling is conveyed. Annual and special assessments for Lots and Dwellings within any portion of the Additional Property hereafter submitted to the terms of this Declaration shall commence with respect to each such Lot or Dwelling on the date on which such Lot or Dwelling is conveyed to a person other than Developer, subject to proration and adjustment according to the number of months then remaining in the fiscal year of the Association and number of days then remaining in the month in which such Assessments commence. Notwithstanding anything provided herein to the contrary, Developer shall not be responsible for the payment of annual or special Assessments on any Lots or Dwellings which it owns in the Development.

Section 8.09 Effect of Non-Payment; Remedies of the Association.

- (a) Each Owner of a Lot or Dwelling is and shall be deemed to covenant and agree to pay to the Association all Assessments provided for herein. In the event any Assessments or any portion thereof are not paid when due the same shall be subject to a late charge in an amount determined and uniformly applied by the Board from time to time and the Owner of such Lot or Dwelling shall be deemed in default herewith in the event any Assessments or any portion thereof are not paid within thirty (30) days after the due date of the same, then the unpaid portion of the Assessment shall accrue simple interest at the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the thirtieth (30th) day from the due date until the same is paid in full. In the event the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs, and all other expenses paid or incurred by the Association. The lien and equitable charge upon each Lot or Dwelling for Assessments as provided above shall also include all late charges, interest at the Applicable Rate and all attorneys' fees, court costs, and all other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.
- (b) In the event any Assessments or other amounts due to the Association are not paid by any Owner when the same comes due, then, in addition to all other rights and remedies provided at law or in

equity, the Association, acting through its Board or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

- (i) The Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments, and any such judgment rendered in any such action shall include the late charge and interest at the Applicable Rate, as specified in Section 8.09(a) above, together with attorneys' fees, court costs, and all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or
- (ii) The Association may enforce the lien created pursuant to Section 8.01 above in the manner hereinafter provided.
- (c) There is hereby created a continuing lien on each Lot and Dwelling, with power of sale, which secures the payment to the Association of any and all Assessments levied against or upon such Lot or Dwelling, all late charges and interest at the Applicable Rate assessed pursuant to Section 8.09(a) above and all attorneys' fees, court costs, and all other expenses paid or incurred by the Association in collecting any Assessments. If any Assessments remain unpaid for more than sixty (60) days, then the Association, through its Board or any officer or authorized representative thereof, may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand or, even without giving demand, the Association may file a claim of lien and perfect its lien against the Lot or Dwelling of such delinquent Owner, which claim shall be executed by any member of the Board of the Association or any officer of the Association, contain the following information, and be recorded in the Probate Office of Lee County, Alabama:
 - (i) The name of the delinquent Owner;
 - (ii) The legal description and street address of the Lot or Dwelling upon which the lien claim is made;
 - (iii) The total amount claimed to be due including late charges, interest at the Applicable Rate, collection costs, and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and
 - (iv) A statement that the claim of lien is made by the Association pursuant to this Declaration and is claimed against such Lot or Dwelling in an amount equal to that stated therein.

Section 8.10 Lien: The lien provided for herein shall be in favor of the Association, shall be for the benefit of all other Owners (other than those Owners in default), and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey, and sell any such Lot or Dwelling. Each Owner, by acceptance of a deed to any Lot or Dwelling, shall be deemed to (1) grant to and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein, and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

Section 8.11 Subordination of Lien. Notwithstanding anything provided herein to the contrary, the lien for Assessments and other charges authorized herein with respect to any Lot or Dwelling in the Development is and shall be subordinate to the lien of any Mortgage held by an Institutional Mortgagee, but only to the extent that the Mortgage held by any such Institutional Mortgagee is recorded in the Probate Office of Lee County, Alabama, prior to the filing of a claim of lien by the Association pursuant to Section 8.09(c) above. When an Institutional Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot or Dwelling, then such Institutional Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for any Assessments or other charges incurred prior to the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Institutional Mortgagee was recorded in the Probate Office of Lee County, Alabama, prior to the filing of a claim of lien by the Association pursuant to Section 8.09(c) above, but (b) be liable for all Assessments and other charges levied, assessed, or incurred with respect to such Lot or Dwelling from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot or Dwelling has been foreclosed from the personal obligation to pay all Assessments and any other charges levied, assessed, or incurred by the Association, and the Association shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by an Institutional Mortgagee on such Owner's Lot or Dwelling.

Section 8.12 Certificates. The Association or any officer or authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner a certificate in writing setting forth whether the Assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any Assessments stated therein.

Article IX. Casualty, Condemnation, and Insurance

Section 9.01 Damage or Destruction to Common Areas.

- (a) In the event of any damage or destruction to any of the Common Areas by fire or other casualty, then, subject to the terms and provisions of this Article IX, the Association shall promptly repair, replace, and restore the damaged portions of the Common Areas to the condition to which they existed immediately prior to such fire or other casualty.
- (b) Notwithstanding anything provided in Section 9.01(a) above, in the event the amount of insurance proceeds, if any, recovered as a result of such damage or destruction is insufficient to fully repair, replace, and restore the damaged portions of the Common Areas, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Sections 8.05 and 8.07 above, which such special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs necessary to repair, replace, or restore the Common Areas to the condition as existed immediately prior to such fire or other casualty. Such special Assessments shall be levied against each Owner equally as provided in Section 8.03 above. Further special Assessments may be made by the Board, without the necessity of a vote of the Owners approving or disapproving the same, at any time during or upon completion of any such repair, replacement, or restoration of the Common Areas if funds are insufficient to cover the costs of such repair or restoration. Any and all insurance proceeds received by the Association on account of any damage to or destruction of any of the Common Areas or any sums paid to the Association under or by virtue of such special Assessments shall be held by and for the benefit of the Association and shall be disbursed by the Association in payment for the costs of such repair or restoration in such manner as may be determined by the Board of the Association. In no event shall the Owner or Mortgagee of any Lot or Dwelling be entitled to any portion of the proceeds of insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

Section 9.02 Damage or Destruction to Lots and Dwellings. In the event of any fire or other casualty which damages or destroys any portion of any Lot or Dwelling, then the Owner of such damaged Lot or Dwelling shall promptly repair and otherwise restore such Lot or Dwelling to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes, and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred eighty (180) days following the occurrence of such fire or other casualty.

Section 9.03 Condemnation of Common Areas.

- (a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of, or in anticipation of the exercise of the right of eminent domain, condemnation, or by private purchase in lieu thereof, then the award from such taking or sale in lieu thereof shall be paid to the Association and shall be disbursed or held as follows:
 - (i) To the extent the Common Areas subject to such taking can either be restored or replaced, then, to the extent practicable, the Board of the Association is hereby empowered, authorized, and directed to take such action, including the purchase of any remaining lands within the Development or the utilization of any other Common Areas within the Development, to restore, rebuild, or replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to Sections 8.05 and 8.07 above, which such special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs of repair, restoration, or reconstruction. Such special Assessments shall be levied against each Owner as provided in Section 8.03 above. Further special Assessments may be made by the Board without the necessity of a vote of the Owners approving or disapproving the same, at any time during or upon the completion of any such repair, replacement, or restoration of the Common Areas if the award received as a result of such taking is insufficient to pay the costs of such repair or restoration.
 - (ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or additional lands within the Development cannot be purchased by the Association in order to repair, replace, or restore the Common Areas so taken or if the Board of the Association shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and for the benefit of the Association.
- (b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and for the benefit of the Association, without any claim thereto by any Owner. Except as specifically provided in Section 9.03(c) below, no Owner or Mortgagee of any Lot or Dwelling shall be entitled to any portion of the award made to the Association as a result of the taking of any portion of the Common Areas.
- (c) If such taking or sale in lieu thereof includes all or any part of a Lot or Dwelling and also includes any part of the Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the Association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot or Dwelling which is subject to any such taking and the

Board of the Association may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

Section 9.04 Condemnation of Lots or Dwellings. In the event that all or any portion of a Lot or Dwelling is taken as a result of, in lieu of, or in anticipation of the exercise of the right of eminent domain, condemnation, or by private purchase in lieu thereof, then, to the extent practicable, the Owner of such Lot or Dwelling shall promptly repair, reconstruct, rebuild, and otherwise restore the remaining portions of the Lot or Dwelling as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes, and ordinances of the Governmental Authorities. In the event the restoration of such Lot or Dwelling is impracticable or would otherwise violate any of the terms and provisions of this Declaration, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe, and sightly condition.

Section 9.05 Insurance.

- (a) The Board of the Association shall have the authority to obtain and maintain at all times adequate property and casualty insurance in such form as the Board deems appropriate for the benefit of the Association insuring all insurable Improvements in and to the Common Areas against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism, and malicious mischief, which coverage shall be in an amount, with such insurance carriers, at such costs, and with such deductibles as the Board, in its sole discretion, may determine.
- (b) The Board shall have the authority to obtain and maintain in effect at all times such public liability insurance coverage covering all of the Common Areas and any damage or injury caused by the negligence of the Association, its Board, and all members, officers, agents, and employees thereof, in such amounts, with such insurance carriers, at such costs, and with such deductibles as the Board, in its sole discretion, may deem necessary or desirable.
- (c) The Board shall have the right and authority to obtain workman's compensation insurance, employer's liability insurance, and all other types of insurance required by law, including, without limitation, errors and omissions and directors and officers liability insurance coverage, in such amounts, with such insurance carriers, at such costs, and with such deductibles as the Board, in its sole discretion, may determine.
- (d) All insurance coverage authorized hereunder shall be written in the name of the Association and all costs thereof shall be a Common Expense. To the extent the same may be obtained at a nominal cost, all such policies shall contain a waiver of subrogation clause pursuant to which the insurer waives any claims against the Developer, the Association, the members of the Board, and all officers, agents, and employees of the Association, including the manager for the Development and the Association, the Owners and the family members, servants, agents, tenants, and guests of the Owners and shall also name Developer as an additional insured.
- (e) Each Owner shall be solely responsible for obtaining and maintaining public liability, property damage, title, and all other types of insurance with respect to his Lot and Dwelling. The Board may require all Owners to carry public liability insurance with respect to their respective Lots and Dwellings and to furnish copies or certificates thereof to the Association. Each Owner, by acceptance of a deed or other instrument conveying any interest in any Lot or Dwelling, does hereby waive and release Developer, the ARC, the Association, and their respective agents, employees, representatives, partners, shareholders, members, officers, and directors, from any and all liabilities or damage covered by (or which should be covered by) fire and casualty (e.g.,

homeowner's and/or builder's risk) insurance and general liability insurance which any Owner maintains, even if such loss or damage has been caused by the fault or negligence of any of the foregoing persons or parties.

Section 2.01 Membership. Each person who is the Owner of any Lot or Dwelling in the Development shall be a member of the Association. Developer shall be deemed a member of the Association and shall have one (1) vote for each Lot or Dwelling owned by Developer. If a Lot or Dwelling is owned by more than one person and if only one of those persons is present at a meeting of the Association, that person

shall be entitled to cast the vote appertaining to such Lot or Dwelling; provided, however, that if more than one of those persons is present, the vote appertaining thereto shall be cast only in accordance with their unanimous agreement, and, if no unanimous agreement is reached, the vote appurtenant to such Lot or Dwelling shall be suspended. No Owner, whether one or more persons, shall be entitled to more than one vote per Lot or Dwelling owned. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of a Lot or Dwelling. As used in these Bylaws, "member" shall mean an Owner, as defined in the Declaration. Notwithstanding anything provided herein or in the Articles of Incorporation to the contrary, for so long as Developer owns any Lot or Dwelling in the Development, (a) Developer shall have the sole and exclusive right to (i) elect the Board of Directors of the Association, (ii) appoint the officers of the Association and the members of the ARC as defined in the Declaration, (iii) remove and replace any members of the Board of Directors of the Association, the officers of the Association, and the members of the ARC, (iv) amend these Bylaws and the Articles of Incorporation, (v) amend the Declaration (subject to the limitations set forth in Section 10.02 of the Declaration), and (vi) take all other action on behalf of the Association and vote on all other matters required to be voted on or approved by the members of the Association (except to the extent all members of the Association are entitled to vote on the matters described in item (b) below of this Section 2.01) and (b) the voting rights of the members of the Association shall be limited to (i) approving increases in the annual Assessments in excess of the amounts set forth in Section 8.04(c) of the Declaration, (ii) approving amendments to the Declaration if such approval is required pursuant to Section 10.02 of the Declaration, and (iii) voting on amendments to the Declaration as provided in Section 10.03 of the Declaration. As long as Developer is the Owner of any Lot or Dwelling in the Development, the members shall have no further voting rights or privileges in the Association. The voting rights of any member may be limited and suspended in accordance with the provisions of the Declaration.

Section 2.02 Annual Meeting. The annual meeting of the members of the Association shall be held at 7:00 p.m. on the last day of January of each year or at such other time or such other day within such month as shall be fixed by the Board of Directors. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day. At the annual meeting, the members of the Association shall, subject to the terms of Sections 2.01 and 3.03 of these Bylaws, elect the Board of Directors of the Association, review the annual budget for the Association as provided in the Declaration, and otherwise transact such other business as may come before such meeting. If the election of Directors shall not be held on the day designated herein for any annual meeting of the members of the Association, or any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the members of the Association as soon thereafter as may be convenient.

Section 2.03 Special Meetings. Special meetings of Members, for any purpose or purposes, unless otherwise prescribed by statute, may be called by the President or the Board of Directors of the Association and shall be called by the President or Secretary of the Association upon the petition of at least one-half (1/2) or more of the total votes in the Association.

Section 2.04 Place of Meeting. The Board of Directors may designate any place, either within or without the State of Alabama, as the place of meeting for any annual or special meeting. In the absence of any designation, all meetings shall be held at the principal office of the Association in the State of Alabama.

Section 2.05 Notice of Meeting. Written or printed notice stating the place, day, and hour of the meeting and, in case of a special meeting, or of a meeting which is required by statute to be held for any special purpose, or of any annual meeting at which special action is to be taken, the purpose or purposes for which the meeting is called, or the special action which is proposed to be taken, shall be delivered not less than ten (10) nor more than fifty (50) days before the date of the meeting, either personally or by mail, by or at the direction of the Board of Directors, the President, the Secretary, or the officer of persons calling the meeting, to each member of the Association. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his address as it appears on the books of

the Association, with postage thereon prepaid. If given personally, such notice shall be deemed to have been delivered to the member upon delivery of the same to the Lot or Dwelling of such member.

Section 2.06 Quorum. The provisions of Section 8.07 of the Declaration shall be applicable in determining whether a quorum exists for any meeting of the Association. The members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

Section 2.07 Proxies. At all meetings of the members of the Association, a member may vote either in person or by proxy executed in writing by the member or by his duly authorized attorney-in-fact. Such proxy shall be filed with the Secretary of the Association before or at the time of the meeting. No proxy shall be valid after eleven months from the date of its execution, unless otherwise provided in the proxy.

Section 2.08 Voting by Members. Subject to the provisions of Sections 2.01 and 3.03 of these Bylaws, each member of the Association shall be entitled to one (1) vote for each Lot or Dwelling owned by such member. Developer shall be entitled to one (1) vote for each Lot or Dwelling in the Development owned by Developer. No fractional voting shall be permitted. When more than one person is the owner of a Lot or Dwelling, the provisions of Section 2.01 of these Bylaws shall be applicable to the exercise of such voting rights. For purposes of these Bylaws, the Articles of Incorporation, and the Declaration, the vote of a "majority" of the members of the Association shall mean the vote of more than fifty percent (50%) of the total number of votes represented at a meeting, whether in person or by proxy. Unless a greater proportion is specified in these Bylaws, the Articles of Incorporation, or the Declaration and, subject to the terms and provisions of Sections 2.01 and 3.03 of these Bylaws, any matter which requires the vote of, approval, disapproval, or consent of the members of the Association shall be deemed to have been given if a "majority" of the members of the Association represented at a meeting, either in person or by proxy, affirmatively vote for, approve, disapprove, or consent to the same.

Section 2.09 Informal Action by Members. Any action required or permitted to be taken at a meeting of the members of the Association may be taken without a meeting if consent in writing, setting forth the action so taken, shall be signed by all of the members entitled to vote with respect to the subject matter thereof.

Article III. Board of Directors

Section 3.01 General Powers. The business and affairs of the Association shall be managed by or under the direction of its Board of Directors.

Thereafter, the members of the Association, by affirmative vote of a majority of the members, shall (i) elect the members of the Board of Directors at the annual meeting of members of the Association and (ii) have the right to remove, either with or without cause, at any time or from time to time, any of the

members of the Board and appoint a successor to such removed Director. There shall be no cumulative voting by the members.

Section 3.04 Regular Meetings. A regular meeting of the Board of Directors shall be held, without further notice other than this bylaw, immediately after, and at the same place as, the annual meeting of the members of the Association; provided, however, that any such regular meeting may be held at any other time or place which shall be specified in a notice given as hereinafter provided for special meetings, or in a consent and waiver of notice thereof, signed by all Directors. The Board of Directors may provide, by resolution, the time and place, either within or without the State of Alabama, for the holding of additional regular meetings without other notice than such resolution.

Section 3.05 Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President, any Vice President, or any two (2) Directors. Any Director may waive notice of any meeting. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

Section 3.07 Quorum. A majority of the number of Directors fixed by Section 3.02 of these Bylaws shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, but if less than such majority is present at a meeting, a majority of the Directors present may adjourn the meeting from time to time without further notice. If a quorum is present when the meeting is convened, the Directors present may continue to do business, taking action by a vote of a majority of quorum as fixed above, until adjournment, notwithstanding the withdrawal of enough Directors to leave less than a quorum as fixed above, or the refusal of any Director present to vote.

Section 3.08 Manner of Acting. The act of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless the act of a greater number is required by statute, the Articles of Incorporation, or these Bylaws.

At such time as Developer no longer owns any Lot or Dwelling in the Development, any vacancy occurring in the Board of Directors, other than a vacancy occurring by reason of a Director's removal pursuant to Section 3.03(b) of these Bylaws, may be filled by the affirmative vote of a majority of the remaining Directors. In the event that there are no remaining Directors, then the vacancy or vacancies occurring in the Board of Directors shall be filled by the affirmative vote of a majority of the members of the Association. A Director elected or appointed to fill a vacancy shall be elected to serve for the unexpired term of his predecessor in office.

Section 3.11 Compensation. By resolution of the Board of Directors, each Director may be paid his expenses, if any, of attendance at each meeting of the Board of Directors. No such payment shall preclude any Director from serving the Association in any other capacity and receiving compensation therefore.

Section 3.12 Committees.

- (a) The Board of Directors, by resolution adopted by a majority of the full Board of Directors, may designate from among its members one or more committees, each committee to consist of one or more of the Directors and each of which committees, to the extent provided in such resolution, shall have and may during intervals between the meetings of the Board, exercise all the authority of the Board of Directors, except that no such committee shall have the authority of the Board of Directors in reference to issuing capital stock, amending the Articles of Incorporation, adopting a plan of merger or consolidation, filling vacancies in the Board of Directors, or amending the Bylaws of the Association. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Directors. The designation of any such committee and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed upon it or him by law.
- (b) Notwithstanding anything provided to the contrary in Section 3.12(a) above, at such time as Developer no longer owns any Lot or Dwelling in the Development or, upon Developer's written notice to the Association that it no longer desires to exercise the rights to appoint and remove members of the ARC as provided in Section 5.02(a) of the Declaration, then the Board of Directors shall appoint all members of the ARC in accordance with the provisions of Article V of the Declaration.

Any such resignation shall take effect upon receipt of such notice or at any later time specified therein. Unless otherwise specified in the notice, the acceptance of such resignation shall not be necessary to make it effective.

Section 3.14 Participation in Meetings by Conference Telephone. Members of the Board of Directors or any committee designated thereby may participate in a meeting of such Board or committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time and participation by such means shall constitute presence in person at such meeting.

Any officer or agent of the Association may be removed by the Board of Directors at any time, either with or without cause, and the Board of Directors may appoint a successor to such removed officer and agent. Election or appointment of any officer or agent shall not of itself create contract rights.

Section 4.06 Resignations. Any officer may resign at any time by giving written notice of resignation to the Board of Directors, to the Chairman of the Board, to the President, or to the Secretary. Any such resignation shall take effect upon receipt of such notice or at any later time specified therein. Unless otherwise specified in the notice, the acceptance of a resignation shall not be necessary to make the resignation effective.

Section 4.07 Vacancies. A vacancy in any office, the holder of which is elected or appointed by the Board of Directors, because of death, resignation, removal, disqualification, or otherwise, may be filled by the Board of Directors for the unexpired portion of the term of such office. A vacancy in any other office for any reason shall be filled by the Board of Directors, or any committee, or officer to whom authority for the appointment, removal, or filling of vacancies may have been delegated by these Bylaws or by resolution of the Board of Directors.

Section 4.08 Chairman of the Board. The Chairman of the Board, who must be a member of the Board of Directors, shall preside at all meetings of the members of the Association and of the Board of Directors at which he is present. The President shall have all powers and duties usually incident to the office of the President except as specifically limited by resolution of the Board of Directors. The President shall have such other powers and perform such other duties as may be assigned to him from time to time by the Board of Directors.

Section 4.10 Vice Presidents. In the absence or disability of the President or if the office of President be vacant, the Vice Presidents, in the order determined by the Board of Directors, or if no such determination has been made, in the order of their seniority, shall perform the duties and exercise the powers of the President, subject to the right of the Board of Directors at any time to extend or confine such powers and duties or to assign them to others. Any Vice President may have such additional designation in his title as the Board of Directors may determine. Each Vice President shall generally assist the President in such

manner as the President shall direct. Each Vice President shall have such other powers and perform such other duties as may be assigned to him from time to time by the Board of Directors or the President.

The Association shall keep detailed, complete, and accurate financial records, including itemized records of all receipts and disbursements, shall keep detailed minutes of the proceeds of all meetings of the members and of the Board of Directors and committees having any of the authority of the Board of Directors, and shall keep such other books and records as may be required by law or necessary to reflect accurately the affairs and activities of the Association. The Association shall keep at the office of the Association a record giving the names and addresses of the Directors and all members of the Association, which shall be furnished by each Owner pursuant to Section 5.10 of these Bylaws.

Section 5.03 Inspections. The books, records, and papers of the Association shall at all times during reasonable business hours be subject to inspection by any member or his agent or attorney for any proper purpose. True and correct copies of the Articles of Incorporation, these Bylaws, the Declaration, and all rules and regulations of the Association with all amendments thereto, shall be maintained at the principal registered offices of the Association and copies thereof shall be furnished to any member on request on payment of a reasonable charge therefore.

Section 5.04 Contracts. The Board of Directors may authorize any officer or officers, or agent or agents of the Association, in addition to the officers so authorized by the Declaration and these Bylaws, to enter into any contract or execute and deliver any instrument in the name of, or on behalf of the Association, and such authority may be general or confined to specific instances.

Section 5.05 Checks, Drafts, etc. All checks, drafts, or orders for the payment of money, notes, or other evidences of indebtedness issued in the name of the Association, shall be signed by such officer or officers, or agents of the Association, and in such manner as shall from time to time be determined by resolution of the Board of Directors. In the absence of such determination by the Board of Directors, such instruments shall be signed by the Treasurer of the Association.

Section 5.06 Deposits. All funds of the Association shall be deposited from time to time to the credit of the Association in such banks, trust companies, or other depositories as the Board of Directors may select.

Section 5.07 Gifts. The Board of Directors may accept, on behalf of the Association, any contribution, gift, bequest, or devise for the general purposes, or for any special purpose, of the Association.

Section 5.08 Fiscal Year. The fiscal year of the Association shall be the calendar year.

Section 5.09 Annual Statements. Not later than four (4) months after the close of each fiscal year, the Board of Directors shall prepare or cause to be prepared a balance sheet showing in reasonable detail the financial condition of the Association as of the close of its fiscal year and an income and expense statement showing the results of its operations during its fiscal year. Such statements may, in the discretion of the Board, be audited statements. Upon receipt of written request, the Treasurer promptly shall mail to any member copies of the most recent such balance sheet and income and expense statement on payment of a reasonable charge therefore.

Section 5.10 Notices. Each member shall be obligated to furnish to the Secretary of the Association, the address, if other than the Lot or Dwelling of such member, to which any notice or demand to the Owner under the Declaration or these Bylaws is to be given, and if no address other than such Lot or Dwelling shall have been designated, all such notices and demands shall be mailed or delivered to such Lot or Dwelling.

Section 5.11 Payment of Taxes on Common Areas and Insurance Premiums. The Board shall, to the extent funds are available, cause payment to be made, in a timely manner, of all taxes assessed against the Common Areas or Association property and of all insurance premiums.

Article VI. Insurance

Section 6.01 Types of Coverage. The Association shall maintain in effect at all times as a Common Expense the types of insurance coverage required by the Declaration, any workmen's compensation, or other insurance required by law, and such other insurance as the Board may from time to time deem appropriate. The Board shall review the amount and terms of such insurance annually.

Section 6.02 Damage or Destruction to Common Areas. Immediately after the damage or destruction by fire or other casualty to all or any part of the Common Areas covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance, and, in any such event, the Board shall obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction means repairing or restoring the damaged property to substantially the same condition in which it existed prior to the fire or other casualty. The Association shall promptly commence and complete the repair and restoration of any portions of the Common Areas damaged by any such fire or other casualty. If the insurance proceeds, if any, for such damage or destruction are not sufficient to defray the cost thereof, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, the Board of Directors may levy a special Assessment against all members, without the necessity of a vote or the consent or approval of any of the members, as provided in the Declaration, to provide funds to pay such excess costs of repair or reconstruction. Such a special Assessment shall be levied against the members equally in the same manner as annual Assessments are

levied, and additional special Assessments may be made at any time during or following the completion of any repair or reconstruction. Any and all sums paid to the Association under and by virtue of such special Assessments shall be held by and for the benefit of the Association together with the insurance proceeds, if any, for such damage or destruction. Such insurance proceeds and assessments shall be disbursed by the Association in payment for such repair or reconstruction as is established by the Board of Directors. Any proceeds remaining after defraying such costs shall be retained by and for the benefit of the Association. If it is determined by the Board of Directors that the damage or destruction for which the insurance proceeds are paid shall not be repaired or reconstructed, such proceeds shall be retained by and for the benefit of the Association, and the ruins of the Common Areas damaged or destroyed by fire or other casualty shall be cleared and the Common Areas left in a clean, orderly, safe, and sightly condition.

Section 6.03 Condemnation of Common Areas. Whenever all or any part of the Common Areas of the Development shall be taken by any authority having the power of condemnation or eminent domain, or is conveyed in lieu thereof by the Board, the award made or collected for such taking or sale in lieu thereof shall be payable to the Association and shall be disbursed or held as follows:

- (a) If the taking or sale in lieu thereof involves a portion of the Common Areas on which Improvements have been constructed, then the Association shall restore or replace such Improvements so taken, to the extent practicable, on the remaining lands included in the Common Areas which are available therefore, in accordance with the plans approved by the Board of Directors and the ARC (as denied in the Declaration). If the award is not sufficient to defray the cost of such repair and replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, the Board of Directors may levy a special Assessment against all members, without the necessity of a vote or the consent or approval of any of the members, as provided in the Declaration, to provide funds to pay such excess costs of repair or reconstruction. Such a special Assessment shall be levied against the members equally in the same manner as annual Assessments are levied, and additional special Assessments may be made at any time during or following the completion of any repair or reconstruction. If the Board of Directors determines that such Improvements are not to be repaired or restored, the award or proceeds shall be retained by and for the benefit of the Association to be used as provided in the Declaration.
- (b) If the taking or sale in lieu thereof does not involve any Improvements to the Common Areas, or if there are net funds remaining after any such restoration or replacement of such improvements is completed, then such award or net funds shall be retained by and for the benefit of the Association.

Article VII. Indemnification

Section 7.01 Indemnification. The Association shall, to the fullest extent permitted by applicable law, indemnify any person (and the heirs, executors, and administrators of such person), who, by reason of the fact that he is or was a Director, officer, employee, or agent of the Association, or is or was serving at the request of the Association as a Director, officer, partner, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, was or is a party or is threatened to be made a party to:

- (a) any threatened, pending, or completed claim, action, suit, or proceeding, whether civil, criminal, administrative, or investigative, including appeals (other than an action by or in the right of the Association), against expenses (including attorneys' fees), judgment, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with any such claim, action, suit, or proceeding; or
- (b) any threatened, pending, or completed claim, action, suit, or proceeding by or in the right of the Association to procure a judgment in its favor, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action, suit, or proceeding. Any indemnification by the Association pursuant hereto shall be made only in the manner

and to the extent authorized by the Articles of Incorporation and applicable law, and any such indemnification shall not be deemed exclusive of any other rights to which those seeking indemnification may otherwise be entitled.

Section 7.02 Indemnification Insurance. The Association shall have the power and authority to purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee, or agent of the Association or is or was serving at the request of the Association as a Director, officer, partner, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under applicable law.

Article VIII. General Provisions

Section 8.01 Waiver of Notice. Whenever any notice is required to be given under any provision of law, the Articles of Incorporation, or these Bylaws, a waiver thereof in writing signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be equivalent to the giving of such notice. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the members, the Board of Directors, or members of a committee of Directors need be specified in any written waiver of notice unless otherwise required by these Bylaws. Attendance of a Director at a meeting of the Board of Directors shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 8.02 Incorporation by Reference. All of the terms, provisions, definitions, covenants, and conditions set forth in the Declaration are hereby expressly incorporated herein by reference as if fully set forth herein. In the event of any conflict or ambiguity between the terms, provisions, definitions, covenants, and conditions set forth herein in these Bylaws and in the Declaration, then the provisions of the Declaration shall at all times control.

Section 8.03 Power of Directors to Amend. The Board of Directors shall have the right, power, and authority to alter, amend, or repeal the Bylaws of the Association or adopt new Bylaws for the Association at any regular or special meeting of the Board.
